Odds of 10 to 1 Against the Daughter of Horoscope-Eugenia Burch First in a Drive-Unmasked a Real Good Thing -Big Fields Race at Brighton.

In spite of the fact that large fields prevailed, the horses ran remarkably close form at Brighton Beach yesterday, the talent playing two favorites and three second choices with profit. The weather was again made to order and 12,000 persons were on hand with ready money when the first race was

The only long shot to pass the judges first was Andrew Miller's Divination, a two-yearold daughter of Horoscope—White Rose, who won the Mercury Handicap, for twoyear-olds and upward, at six furlongs, with 10 to I about her. It was a puzzling betting affair, a majority of the smart plungers going to Sydney Paget's Ormonde's Right, a 5 to 2 favorite, who finished far back in the ruck. E. R. Thomas's Lady Amelia, with only 99 pounds, was backed down to sixes, even though she was ridden by W. Fischer, a promising apprentice.

It did not take the \$17,000 filly long to assert herself, for she went to the front with a rush as soon as the gate was released. L. V. Bell's Grenade, 8 to 1, went after her with determination, Wotan, 8 to 1, and Divination both being within hailing distance. Grenade caught Lady Amelia in the middle of the stretch, but Redfern came with a great rush on Divination, taking the outside of the track, and won by a length, driving, in 1:13. of Lady Amelia, with Ice Water, 30 to 1, a head Eugenia Burch was the favorite for the

handicap at a mue and a furlong, closing at to 2. Sheriff Bell went back to 11 to 5, while William Astor Chanler's Salvatella was dropped from fives to 18 to 5. Salvatella made the running with an ease and grace that denoted success, but on the far turn she ran out in spite of Houbre's efforts to keep her to the rail. Hicks, as a result, pulled Eugenia Burch up to prevent being carried out, too, and then letting the Ben Strome filly down he sailed to the front on the rail. Houbre finally got Salvatella going again and she gained so rapidly that Hicks went to a heavy drive in the last sixteenth, Burch, very tired, winning the race by a scant half length in 1:53. Salvatella was two lengths better than Sheriff Bell, who beat Bonnibert a head.

Reliance, recently purchased from W. C. Whitney by R. L. Rose, was a hot favorite in the first race, for maiden two-year-oids, at six furlongs, and after showing his heels to the others almost from the start, he won easily by three lengths from S. S. Brown's Exclamation, 8 to 1. The latter had to take punishment to beat John Sanford's Champiain, 30 to 1, a neck. The time was 1:14

Unmasked, a six-year-oid son of the famous Domino, was a real good thing in the third race, for platers, at a mile and a sixteenth. He opened at 6 to 1 and was soon quoted at 9 to 2 and less, L. V. Bell's G. Whittier closing a slight favorite over him. Fuller was at his best in Unmasked's saddle, and landed him in front a head before Nevermore, 8 to 1, who was closing strongly in the last fifty yards. Outsider, 25 to 1, was third, a length behind, and half a length before Mary Worth, a 100 to 1 shot. The time was 1:47 1-5. Eugenia Burch up to prevent being carried out,

BRIGHTON TURF GOSSIP. Trainer Joyner Winds Up a Remarkabi

With the running of Parisienne and Ormonde's Right, yesterday, A. J. Joyner, the well known trainer, announced that he had ent his last horse to the post for this season Joyner has been training the horses of J B. Haggin and Sydney Paget this year and has enjoyed remarkable success. He has won thirty-five races and \$157,000 in stakes and purses. At one time he had seventy-one horses in his care and disposed of \$75,000 worth. Joyner's best winners were Waterboy, who captured the Suburban Renewal, the Brighton Handicap, the Saratoga Handicap and the Century Stakes, and Hamburg Belle, the winner of the Futurity. Joyner is one of the most successful trainers the American turf has produced, and will continue to have charge of the Haggin and Paget

stables next year. Ed Corrigan, the Chicago turfman, arrived at Brighton yesterday and said he would remain several days. It is believed that he has come on to bid on the horses of Green B. Morris, which will be sold at the Beach before the races to-day.

Eddie Hughes, who formerly trained for W. K. Vanderbilt, but who has had charge of Baron Bloch's horses in France, was another visitor at Brighton. He is enthusiastic over French racing and says he has 102 horses in his string. He will go back next season.

over French racing and says he has 102 horses in his string. He will go back next season.

Tony Aste has lost another horse, a victim of the pneumonia epidemic that has prevailed in his stable for several weeks. This time it was Montana King, a promising two-year-old. Dinksie and Pirouette died from the disease several days ago.

While on the way to the post for the fifth race M. Theo suddenly threw her head back and split Jockey Burns's nose and mouth. Burns was groggy for a moment, but pluckly remained in the saddle.

There were several noteworthy incidents at the post during the afternoon. In the first race Alforten, who had never faced the barrier before, refused to break and was left. In the second event Highlander, a notoriously bad actor, whirled as the gate went up and knocked Ells Snyder out of her stride. Palette and High Heels declined to break in the fifth race, and Fuller, who rode Golden Drop, cut across Tol San, just after leaving the gate, almost throwing Higgins over the fence.

John W. Schorr has signed Joe Hawkins to train for him next year. George Walker, who formerly had this place, may go abroad to train for a well known German nobleman. Low was still an 11 to 10 favorite over McClellan in the betting ring yesterday with no Tammany money in sight. L. V. Bell before coming to the races placed a \$10.000 commission on Low for a friend at even money.

Before the first race yesterday, H. T. Grif-

commission on Low for a friend at even money.

Before the first race yesterday, H. T. Griffin's Conkling had not put in an appearance, and his owner asked the stewards for ten minutes leeway in order to get him to the track. Griffin then jumped on a bicycle and rode over to his barn at Sheepshead Bay where he found Conkling, and, climbing into the saddle himself, hurried him to the paddock in the nick of time. Conkling finished nowhere.

Witfull was coupled in the betting with Topsoll as the S. C. Hildrethentry and was backed from 7 to 5 to 1170 10.

YALE'S FRESHMAN ATHLETES. They Make a Strong Showing in the An nual Fall Games.

NEW BAVEN, Oct. 21 .- Although a strong wind blowing straight down the track pre handicap track games of the Yale Track Association, held this afternoon, were very successful. The feature of the meet was the excellent showing made by the freshman firsts and several others taking seconds and thirds. The material contributed by the entering class is the most promising in many seasons.

Sumner, the Andover sprinter, did not take part, owing to his playing with the freshman football team. The winner of the 100-yard event was Twichell, a Hartford boy. Parsons, a freshman from Lawrenceville good field. He was scratch man, but caught the bunch at the end of the first eighth caught the bunch at the end of the first eighth of a mile and finished fifteen yards in the lead. The time, 2 minutes 31-5 seconds, was good under the conditions.

The only event bordering on the sensational was McLanahan's attempt to break the pole vault record, now held by Clapp of Yale. McLanahan did an actual vault in competition of 11 feet 2 inches and failed by a small fraction in reaching the required height.

YALE GUARD BADLY HURT. Bloomer's Shoulder Dislocated, Which

Means Rebuilding of the Line. NEW HAVEN, Oct. 21 .- From out of a pile of players, after a flerce scrimmage, Ralph Bloomer, Yale's crack guard and the foundation on which she based her hope of a strong centre trio, was pulled, this afternoon, with one arm hanging limp and useless by his side. Frantic coaches cut his jersey away, and a cursory examination revealed the fact that his shoulder was badly dislocated. Mike Murphy and his brother, Dr. William Murphy, reset the dislocated bones, and Bloom was hustled into a carriage and sent to the city. The dislocation is the worst that could have occurred. The bone dropped down short distance from the socket, rendering tne resetting difficult. It is said, on good authority, that it will be two weeks, at least before the shoulder will be in condition to be used and it will not again this fall regain its

strength. The injury has cast a deep gloom over Yale's football camp. Nothing remains now but the playing of Kinney at guard. This means a rebuilding of the line, and the situation with the West Point game but a few days away is exceedingly unfortunate. The general opinion seems to be that the injury to Bloomer means that Shevlin will have to play tackle to allow Kinney to take the guard position. take the guard position.

The 'varsity footbal men and five substitutes to-night said good-by to the training table at the university commons and went to the New Haven House for a special table, leaving about twenty substitutes to compose the old

Changes in Columbia Football Field. Harry A. Fisher, manager of the Columbia eleven, announced last night that arrangements have been made wherehe the gridiron at the Polo Grounds would be silered in its ocation so as to give the spectators a better view of the game. The present gridiron will be moved fifteen yards nearer the grandstand. This will necessitate removing a section of seats at each end of the stand, and will also make it essential that part of the bleachers be moved. The alterations have been begun and will be finished for next Saturday's contest.

--Losers Take Ball on Downs on One-Yard Line- Contests on Other Fields.

In the midweek football game yesterday rinceton beat Bucknell and topped Cornell's score against Bucknell by 11 points. The Tigers' game was not altogether pleasing to the coaches, as there was much fum-bling, and once the team was held for downs on the visitors' one-yard line. Williams defeated Tufts, Annapolis and the Baltimore Medical College played a tie and Amherst had an easy time with Union. Results:

PRINCETON, 17; BUCKNELL, 0. PRINCETON, N. J. Oct. 21 - Princeton efeated the Bucknell football eleven this afternoon by a score of 17 to 0. Although the visitors outweighed the Princeton team by at least five pounds to a man, it was only rare intervals that they were able to meet the flerce attacks of the Tigers without giving way before them. The game was the slowest that has been played here this season, over an hour elapsing between the blowing of the first and of the final whistle in the first half. This was due for the most part to the frequency withstanding the fact that the Tigers made good showing in the score, their team work was ragged, and the old weakness of fumbling marred the game frequently. It is very liscouraging at this late date in the season to see fumbling so often.

Bucknell kicked off to Vetterlein, who returned the ball to the centre of the field. DeWitt by a fake kick advanced the ball thirty-five yards. When it was on the visitors' 5-yard line the ball was lost on a fumble, and the Princeton men thus lost an almost sure chance of scoring. The ball was kicked out and shortly afterward Dewitt scored by a kick from the 30-yard line. No more scoring was dona in the first half. 'In the second half, Dewitt kicked off. The Tigers pushed the ball down to the visitors' 1-yard line and there lost it on downs. Bucknell kicked out to the 35-yard line, and shortly afterward Stevens ran over for a touchdown. Vetterlein kicked goal. Not long after the ball had been kicked off, Stevens scored another toughdown and the goal was kicked by Vetterlein.

ALBANY, Oct. 21.—In a listless game at Ridge-field Park this afternoon the Amherst eleven ran up only three touchdowns against the weak team which Union has this year, and the failure of Capt. Lewis to kick more than one of the goals left the final score 16 to 0. Coach Hart said after the game that it was the poorest exhibition his men have put up this year. The only feature of a tame act was an utterly unopposed touchdown by Corgeshall. Amherst had been hitting the Union ends and tackles on a simple tackles back formation for long gains, and when the same players all massed there to defend the threatend point. But in the meantime Coggeshall had calmly sauntered across the line and touched the leather down. Just as time expired Pierce smashed into the Union left tackle for what many thought was a touchdown, but it could not be allowed.

WILLIAMS, 11: TUFTS, 0.

WILLIAMSTOWN, Mass., Oct. 21.—Williams defeated Tufts to-day by a score of 11 to 0 in a game marked by frequent penalties for rough play. Canell kicked off for Tufts, and after the second down Watson of Williams skirted right end for thirty-five yards. Gutterson then dashed around left end for fifty yards and a touchdown. Lewis kicked off. Then by using the tandem formation, varied by occasional end runs, Tufts carried the leather straight down the field to Williams's 7-yard line. Here Lewis of Williams's 7-yard line. Here Lewis of Williams's fell on the ball after Canell's fumble. Williams then renewed her attack on Tufts' ends. Peabody brought the crowd to its feet by plunging through left tackle for forty yards. Then Williams lost her chance of scoring by fumbling on Tufts's 10-yard line. In the second half Tufts was penalized heavily for holding and off side play. Watson of Williams broke loose for a seventy-yard run around left end, closing the scoring for the Berkshire men. ANNAPOLIS, Oct. 21.—The Baltimore Medical College eleven and the Naval Academy played a drawn game here this afternoon. Neither team was able to score in the first half and the contest was called off after this on account of the de ath of Robert E: Lewis, right guard of the visiting 'eam. The game was a very closely contested one, though the navy did carry the pisskin straight down the field from their own forty-yard line to the visitors' five-yard line, but here they fumbled. A medical man got the ball, and the only chance for a score was lost. The medicals then began an onslaught on the navy line and rushed the ball from three to eight yards at a time. The game was brought to a close with the ball in midfield in the visitors' possession. Gessier of the Brooklyn baseball team played eleft half back for the medicos, and his splendid ground gaining was the feature of the game. For the navy, Strassburger, Halsey and Rees did good work. Capt. Soule was not in his place at right end to-day, on account of a sore leg. ANNAPOLIS, O: BALTIMORE MEDICAL COLLEGE, O.

Broken Les on Hamilton College Gridiron CLINTON, N. Y., Oct. 21.—Charles Roosa of Buffalo, right half back of the Hamilton College football team, broke his left leg in practice to-day. He will be unable to play again this year.

José Estrada Paima, son of the President of the Cuban Republic, has completed his organization of a footbail team among the law students at Columbia, and the eleven will play its first game today with the Columbia freahmen at South Field. Other games will be played with the Orange A. C. and the Forest Hill F. C. An effort is being made to arrange games with the law school teams of Harvard, Yale and Pennsylvania.

Charles Daly of West Point says of the Harvard team: "It lacks none of the essential elements that go to make up an all-round powerful eleven. The Harvard team is neither rough nor aggressive, and both qualities are essential. With careful development and, above all, with the right fight and spirit, the colorless character of the team will disappear. There is an evenness to the development which tends to be behind rather than ahead of its proper place."

Harvard Wins the Intercellegiate Team

Harvard won the team championship of the Intercollegiate Golf Association yester-day at the Garden City Golf Club for the second successive year and the fifth time in the eight contests held by the union of college golfers. As last year, Princeton was the runner-up, but then Harvard won by 10 to opoints, while yesterday, after leading by 16% points to nothing in the morning, Harvard won by 21½ to 2½. To-day the individual championship of the league will begin, and Miss Rhona Adair and Miss Frances Griscom will play in a foursome, the latter with Walter

Judson, was defeated by Mrs. Gill by 2 up and Mrs. Sanford defeated Mrs. William J. Kingsland by 7 up and 4 to play.

MEMPHIS, Oct. 21.-Although the second day of the trotting meeting here developed no race between two-minute performers, Mr. Billings and Mr. Smathers again locked horns in a two horse race, in which the owner of Lou Dillon drove a gelding and the owner of Major Delmar a mare, and Mr. Billings was again the winner. It was a wagon event for 2:06 class trotters, in which The

pooling was made on the race. Dolly Dillon, sister to Lou Dillon, was scheduled to start, but was withdrawn.

The Monk won in two straight heats. Ida Highwood set too fast a pace in the first heat and was swept off her feet by the steady rush of the son of Chimes before the quarter pole was reached. The mare recovered many yards of lost ground before the stretch was reached, however, and finished strong, losing by a length. The second heat was closely contested to the three quarter pole, when The Monk, who had been gradually forging to the front, assumed a long lead and won the heat and race pulled down to a jog. The hard finish of the first heat had proved too severe a strain on the mare, and she finished all out. A sliver loving cup was awarded Mr. Billings.

Star Hal, the favorite in the Sunny South Stake race for 2:13 pacers, was beaten by Hal Chaffin, driven by Ed Geers, after winning the first heat. Star Hal probably would have won the last heat but for the breaking of his hopples. Topsy won the 2:12 trot in straight heats. Dan Patch, 1:39, goes against his record to-morrow.
